## ENTREPRENEURS HELPING ENTREPRENEURS

Pitch your business idea to US.

As entrepreneurs we know how hard it is to launch a business idea and we can help you take your idea to the next level.

You may qualify for a spot at our **BUSINESS BOOTCAMP** where you will be groomed, coached and taught how to present your business idea to a panel of local investors ready to invest their money in your dream.

Investors with up to \$50,000 are ready to **INVEST** if you can convince them that you are **TALENTED, HARDWORKING AND VISIONARY**, and that your idea will be the **MONEY MAKER**.
